

Join Leadership Greater Washington

as we celebrate our 25th Anniversary by recognizing 25 change agents. Nominated by their peers, these nonprofit leaders exemplify the spirit of Leadership Greater Washington by creating connections that lead to positive change.

“One person can be a catalyst, but long-lasting, systemic change requires many perspectives, many voices, and the attention and actions of many people. Relationships are what turn disparate voices, actions and perspectives into a coordinated powerful effort. Leadership Greater Washington is a powerful vehicle for building those relationships.”

Tamara Copeland, LGW Class of '04
President, Washington Regional Association
of Grant Makers

“LGW is an organization that transforms a region of more than 5 million career-oriented people into a community of people who care about their neighbors and the issues shaping the region. LGW members are the leaders who care.”

David Robertson, LGW Class of '02
Executive Director, Metropolitan Washington
Council of Governments
