

POWERFUL TOOLS FOR EMERGING LEADERS

LGW's Rising Leaders Program provides individuals early in their careers with the tools necessary to succeed as leaders. Utilizing experiential, action-learning modules and in-depth discussions with regional industry leaders, the program provides participants the opportunity to learn, implement and receive feedback on the skills developed in each session. LGW's Rising Leaders creates a network of emerging regional leaders to confide in, learn from and communicate with over the duration of the program and beyond.

THE PROGRAM

Rising leaders sessions are held one Thursday each month from March through July and will include lunch followed by a networking opportunity allowing participants to further connect and collaborate. Each program is led by expert facilitators from the Careerstone Group, LLC. Careerstone is a full service organizational and leadership development firm, with robust experience in delivering award-winning early career professional development programs. Careerstone uses sound instructional design methodology and adult learning principles to deliver practical and immediately applicable information.

During the program, participants will focus on:

- Leadership and Self-Awareness
- Networking and Relationship Building
- Presentation Skills
- Managing Up

Participants will receive:

- Refined presentation skills
- Cutting-edge methods of creating, empowering and leading a team
- Effective communications and negotiation skills
- Techniques for effective networking and relationship building

Benefits to Employer:

- Effective professional development for staff
- Your staff returns from the program with greater leadership skills
