

# RISING LEADERS

## ABOUT THE RISING LEADERS PROGRAM

Leadership Greater Washington's Rising Leaders program provides individuals with the tools necessary to succeed as leaders and managers. By using engaging activities and discussion, the program delivers professional development and growth to those early in their careers or management positions. This highly-rated program is led by expert facilitators from the Careerstone Group, LLC—a full-service organizational and leadership development firm with robust experience in delivering award-winning early career professional development programs.

## BENEFITS OF THE RISING LEADERS PROGRAM

Through the Rising Leaders Program, participants will:

- ✓ Gain insight into various leadership styles & self-awareness as a leader
- ✓ Learn cutting-edge methods of creating, empowering & leading a team
- ✓ Practice techniques for effective networking & relationship building
- ✓ Discover tools for running effective & efficient meetings
- ✓ Improve confidence & power in presenting
- ✓ Opportunities to interact with the LGW network of over 1,900 regional, influential leaders

## WHO SHOULD APPLY

- Early to mid-level career professionals
- Managers seeking more leadership development
- Corporate, nonprofit, government and all sectors/industries

## RETURN ON INVESTMENT FOR EMPLOYERS

- ✓ More confidence as a leader & team member
- ✓ Better relationship building & collaboration skills
- ✓ Stronger managerial & leadership talents resulting in more effectiveness & efficiency
